PRODUCT DESCRIPTIONS

Student-Made relies upon the Creator to describe the product and encourages them to be as accurate as possible. However, Student-Made does not warrant that product descriptions are accurate, complete, reliable, current, or error-free. If a product offered by Student-Made is not as described, your sole remedy is to return it in unused condition.

SERVICES DESCRIPTIONS

Student-Made has no involvement in the delivery of services provided by Creators, and only lists Creator-provider descriptions of services offered. Student-Made will not sell you the service nor act as an intermediary. Student-Made will forward your Interest Form (on the website with the service for that Creator) to the Creator. We encourage them to respond to you within 24 hours (they are college students, so be patient, please!) However, Student-Made does not warrant that service descriptions are accurate, complete, reliable, current, or error-free. Student-Made makes no representation as to whether the Creator is in compliance with any and all local, state, and federal laws. If a service offered by Student-Made is not as described, your sole remedy is to pursue action directly against the Creator.
